

Individual Contributions Table

	Jonathan Chang	Tae-Min Kim	Nikhil Shenoy	Revan Sopher
Coding			15	15
Unit Testing	5			5
Integration			5	5
Documentation	5	5		
Brochure		5		
Slides		10		
Project Management	10			
Revisions	5	5	5	
Total	25	25	25	25
Percentages	25%	25%	25%	25%

We felt that the contributions of each of the group members listed above was invaluable to the completion of our project, so we would like to declare **equal contributions**. We may have slightly adjusted the weights, but we wanted our table to reflect the fact that each group member devoted approximately the same amount of effort and work into the project.
